## VOLUNTEERING OPPORTUNITIES

### STEM AMBASSADOR SPOTLIGHTS

We are asking STEM Ambassadors to create a short profile about their career and study route. These will be shared on our website on social media, in newsletters and our resource library to reach teachers, young people and other STEM Ambassadors

### TWITTER TAKEOVERS

Ambassadors needed to post on the STEM Ambassadors in Scotland twitter account throughout the day to highlight career paths/STEM activities they have done in the past or any other STEM related content they are passionate about.
